The Christmas dinner that we know today can be traced back to the medieval era. During this time, Christmas was a major feast day, and people would celebrate with a large meal. The centerpiece of this meal was often a roasted goose or pig, which would be served with various side dishes such as vegetables, bread and gravy.

Over the centuries, the Christmas dinner menu has evolved to include new dishes and traditions. In the Victorian era, for example, Christmas pudding became a popular dessert. This rich and fruity pudding would typically be made with spices, fruits, and suet and served with a delicious custard sauce.

In the 20th century, the Christmas dinner menu continued to evolve, with new dishes such as turkey, ham, and mashed potatoes becoming popular. Today, there is no one definitive Christmas dinner menu, as different families have their own unique traditions and preferences.

No matter how it has changed over the years, Christmas dinner remains a beloved tradition that brings people together from all over the world. It is a time to celebrate the season, share a delicious meal, and create lasting memories.
