### What is a Family Year?

A Family Year is a year-long adventure that you create for your family. It's a time to focus on spending quality time together, creating memories, and building traditions. A Family Year can be anything you want it to be. You can travel, volunteer, learn a new skill, or simply spend more time together at home.

The important thing is that you plan it together as a family and that you make it a priority. A Family Year is a great way to bond with your loved ones, create lasting memories, and make the most of your time together.

## **How to Create a Family Year**

Creating a Family Year is easy. Just follow these steps:

1. **Choose a theme.** What do you want to focus on during your Family Year? Do you want to travel? Learn a new skill? Volunteer? Spend more time together at home? Once you have a theme, you can start planning your activities.
2. **Plan your activities.** What activities do you want to do during your Family Year? Make a list of all the things you'd like to do, and then start planning how you're going to do them.
3. **Set a budget.** How much money do you need to budget for your Family Year? Once you know how much you have to spend, you can start planning your activities accordingly.
4. **Make it a priority.** A Family Year is a great way to bond with your loved ones, create lasting memories, and make the most of your time together. But it's important to make it a priority. Set aside time each week to spend together as a family, and make sure that your activities are something that everyone enjoys.
