Eleanor's Story in Her Own Words

"I remember the day I almost drowned like it was yesterday. I was swimming in a lake with my friends, and I got caught in a strong current. I was pulled underwater and held there for several minutes. When I finally managed to surface, I was gasping for air and barely conscious.

I am so grateful for the second chance I have been given. I know that I am lucky to be alive, and I am determined to make the most of my life. I hope that my story will inspire others to never give up on their dreams, no matter how difficult they may seem."
