A City of Shadows: Vienna in the Grip of War

As the world teeters on the brink of World War II, Vienna finds itself in the clutches of Nazi occupation. The once-glorious city is now a breeding ground for fear and oppression, where the Jewish population faces relentless persecution. In this oppressive atmosphere, whispers of resistance begin to circulate.

Enter Viktor Lessmann: A Man Haunted by His Past

Viktor Lessmann, a former police detective, is a man wrestling with his own demons. Haunted by the tragic loss of his family during the Kristallnacht pogrom, he is torn between seeking vengeance and protecting the innocent. When a prominent Nazi official is found brutally murdered, Viktor is reluctantly drawn into a dangerous game.

A Web of Mystery and Deception

As Viktor delves deeper into the investigation, he uncovers a complex web of secrets and betrayals. The suspects range from high-ranking Nazi officers to members of the Jewish resistance, each with their own hidden agendas. With every step closer to the truth, Viktor finds himself navigating a treacherous path where trust is scarce.

A Race Against Time

Time is running out as Viktor uncovers a plot that threatens to plunge Vienna into chaos. The Nazi regime is on high alert, and the Jewish resistance is desperate to prevent a catastrophic event. Viktor must race against the clock to expose the mastermind behind the plot and save the city he once called home.
