In his explosive new book, 'Holy Wrath Among Criminal Muslims,' Dr. David Wood exposes the truth about Islamic extremism and its impact on the world. Drawing on extensive research and interviews, Wood provides a comprehensive look at this complex issue, revealing the factors that contribute to radicalization and the devastating consequences it has for individuals, communities, and nations.

Wood begins by examining the historical roots of Islamic extremism, tracing its origins to the early days of Islam. He shows how the concept of jihad has been used to justify violence and oppression throughout history, and how this ideology has been exploited by modern-day terrorist groups like ISIS and Al-Qaeda.

Wood also explores the social and economic factors that contribute to radicalization. He argues that poverty, discrimination, and lack of

opportunity can create a fertile breeding ground for extremism. He also examines the role of social media and the internet in spreading extremist propaganda.

The book is not simply an academic treatise on Islamic extremism. Wood also provides a deeply personal account of his own experiences with Muslims, both good and bad. He shares stories of Muslims who have been victims of terrorism, as well as stories of Muslims who have worked to promote peace and understanding.

'Holy Wrath Among Criminal Muslims' is a must-read for anyone who wants to understand the complex issue of Islamic extremism. Wood provides a balanced and nuanced perspective, drawing on both research and personal experience. He does not shy away from the difficult questions, and he challenges many of the common assumptions about Islam and Muslims.

The book is a timely and important contribution to the ongoing debate about Islamic extremism. It is a must-read for anyone who wants to understand the roots of this complex issue and find ways to combat it.

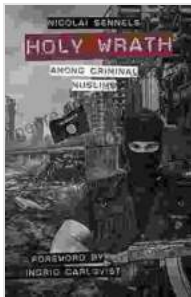

About the Author

Dr. David Wood is a leading expert on Islam and Islamic extremism. He is the founder and director of the Center for Christian Apologetics and Research, and he has written extensively on the topic of Islam. Wood is a regular speaker at conferences and universities around the world, and he has appeared on numerous television and radio programs.
