Written by Fernando de Rojas in the late 15th century, this remarkable work transcends time and continues to mesmerize audiences with its timeless themes of love, lust, and the human condition.

Originally titled the Tragicomedy of Calisto and Melibea, La Celestina is a sprawling and intricate tale of two young lovers from different social classes. However, their love is forbidden, and they must overcome obstacles and societal norms to be together.

A Complex Cast of Unforgettable Characters

Other memorable characters include Calisto's loyal servant Sempronio, the witty and resourceful Pármeno, and the wise and compassionate Elicia. Each character contributes to the complex tapestry of the story, adding layers of depth and nuance to the plot.

A Tragicomedy That Explores the Human Psyche
