***“I write to you today because I need to tell you something. I need to tell you that I love you. I have loved you for a long time, but I was too afraid to say anything. I was afraid of what you would say, and I was afraid of what would happen if you didn't feel the same way.***

***But I can't keep my feelings inside any longer. I have to tell you how I feel. I love you. I love your smile, your laugh, your intelligence, and your kindness. I love the way you make me feel. You make me feel happy, safe, and loved.***

***I know that you don't feel the same way about me. I can see it in your eyes. But I still have to tell you how I feel. I can't keep it inside any longer. I love you.”***
