Shifu is a young boy who loves to make people laugh. He's always getting into trouble, but his quick wit and infectious laugh always get him out of it.

One day, Shifu's parents decide to send him to boarding school. Shifu is not happy about this, but he knows that he has to do what his parents say.

At boarding school, Shifu meets all sorts of different people. There's the bully, the nerd, the jock, and the loner. Shifu doesn't fit in with any of them, but he soon discovers that he has a special gift.

Shifu can make people laugh. He can make them forget their troubles and just enjoy the moment. Shifu's laughter is contagious, and it soon spreads throughout the school.

Shifu's laughter changes the lives of everyone around him. It helps the bully to become less mean, the nerd to become more confident, the jock to become more humble, and the loner to find friends.

Shifu's laughter is a gift, and he uses it to make the world a better place.
