

Sometimes Single Leaf: A Journey of Love, Loss, and Learning

In the wake of her husband's sudden death, author Katherine Ellison embarked on a journey of self-discovery and healing. As she navigated her new life as a widow, she found solace in the beauty of nature, the power of art, and the resilience of the human spirit.

In her memoir, *Sometimes Single Leaf*, Ellison shares her honest and moving account of loss, grief, and ultimately, hope. She writes about the pain of losing her soulmate, the challenges of adjusting to a new normal, and the unexpected ways in which she found healing and growth.

Ellison's story is a testament to the transformative power of love. She writes about the deep bond she shared with her husband, and how his memory continues to inspire her today. She also explores the different types of love that we experience throughout our lives, from romantic love to familial love to the love of nature.

Sometimes Single Leaf is a beautifully written and deeply moving memoir that will resonate with anyone who has ever experienced loss. Ellison's story is a reminder that even in the darkest of times, there is always hope. With courage, resilience, and the support of loved ones, we can heal our broken hearts and find joy and meaning in our lives.

Here is an excerpt from the book:

“I have come to believe that there is no such thing as a single leaf. Every leaf is connected to a branch, which is connected to a trunk, which is connected to a root system that reaches deep into the earth. And just as every leaf is part of a larger tree, we are all part of a larger community. We are all connected to each other, and we all have a role to play in the world.”

Praise for Sometimes Single Leaf
