

The Cat and the City: A Journey Through Time and Space

Cats have been a part of human history for thousands of years, and they have played a significant role in our lives. From ancient Egypt to modern-day Tokyo, cats have been revered as gods, companions, and even muses. In her new book, *The Cat and the City*, author Susan Herbert explores the relationship between cats and humans through the lens of history and culture.

Herbert's book is a beautifully illustrated journey through time and space, with stunning photography and insightful text. She begins in ancient Egypt, where cats were considered sacred animals and were often mummified after death. From there, she travels to medieval Europe, where cats were often associated with witchcraft and were often persecuted. In the 19th century, cats became popular pets in the Victorian era, and they have continued to be beloved companions ever since.

Herbert also explores the role of cats in different cultures around the world. In Japan, cats are considered to be good luck, and they are often featured in art and literature. In Turkey, cats are considered to be sacred animals, and they are often found in mosques and other religious buildings. In the United States, cats are the most popular pets, and they are often seen as members of the family.

The Cat and the City is a fascinating and informative book that will appeal to cat lovers and anyone interested in the history of human-animal relationships. Herbert's writing is engaging and accessible, and her research is thorough and well-documented. The book is also beautifully illustrated with stunning photography, making it a pleasure to read and a valuable addition to any library.

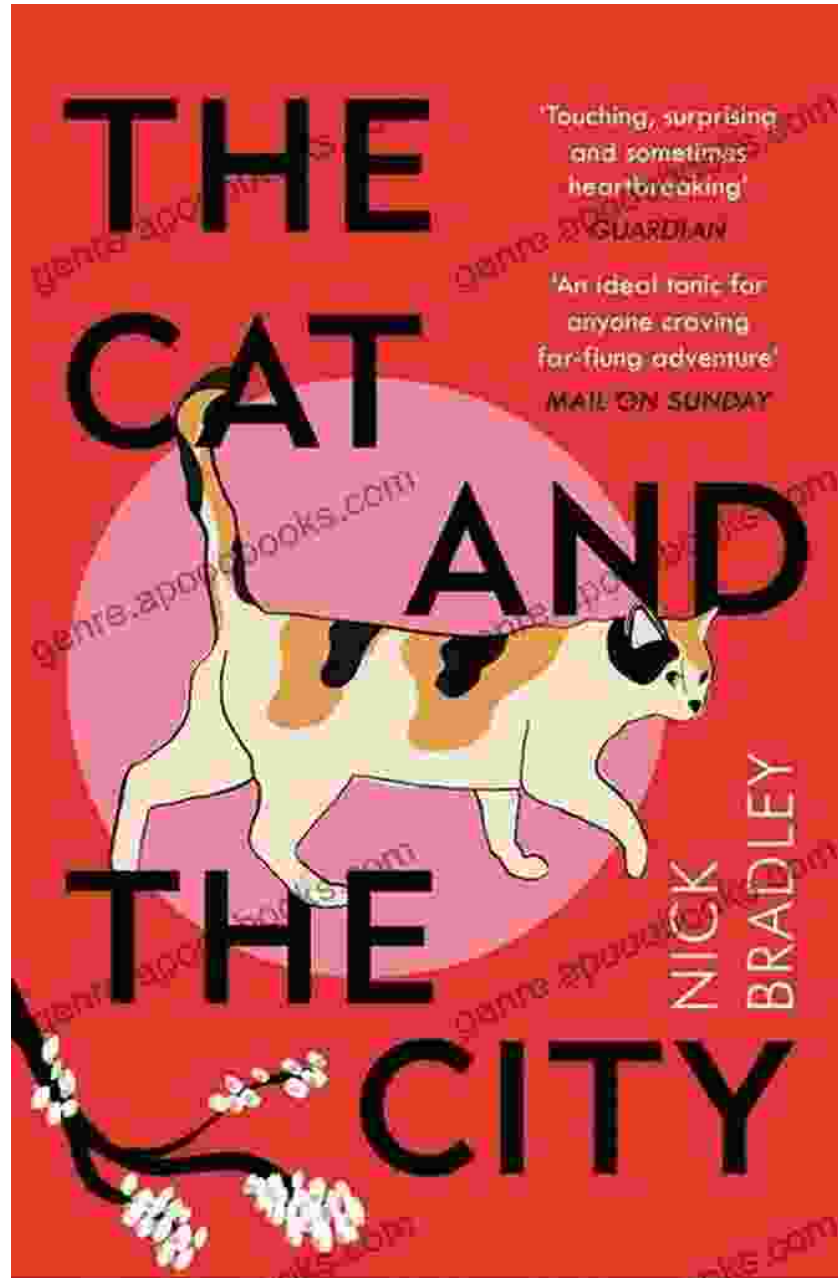

Reviews

"The Cat and the City is a delightful and informative book that explores the relationship between cats and humans through the lens of history and culture. Herbert's writing is engaging and accessible, and her research is thorough and well-documented. The book is also beautifully illustrated with stunning photography, making it a pleasure to read and a valuable addition to any library." - **Publishers Weekly**

"The Cat and the City is a must-have for any cat lover or anyone interested in the history of human-animal relationships. Herbert's book is a beautifully illustrated journey through time and space, with stunning photography and insightful text." - **The New York Times Book Review**
