Book Description

Til Kissed You is a poignant and heartwarming novel that delves into the complex dynamics of family, music, and love. Set in the electrifying world of rock and roll, it follows the lives of three generations of the Rossi family.

At the heart of the story is Bella Rossi, a talented singer-songwriter who dreams of making it big in the music industry. Her journey is filled with both triumphs and heartbreaks, as she navigates the challenges of balancing her career with her personal life.

Bella's parents, Tony and Maria, are also musicians with their own unique struggles. Tony, a former rock star, grapples with his past while trying to support his daughter's dreams. Maria, a classically trained pianist, finds herself torn between her love for her family and her desire to pursue her own musical aspirations.

As Bella's career takes off, she finds herself in a whirlwind of romance and glamour. However, her relationships are often tested by the demands of her music and the expectations of her family.

Til Kissed You is a beautifully written and emotionally resonant novel that explores the complexities of family relationships, the power of music, and the enduring bonds of love. It is a story that will stay with you long after you finish reading it.
