the principles of design

"ways to use the building blocks"

EMPHASIS
Creating a hierarchy or focal point to guide the eye to a specific element. (By utilizing color, contrast, proportion and rhythm)

BALANCE
Weighting or arranging the elements within the image to create visual, even distribution of shape and space.

UNITY
Aligning all separate elements to work together in harmony through pattern, balance and rhythm.

CONTRAST
Contrast can highlight differences or add a focal point by using opposing colors, shade or textures.

RHYTHM
Direct the eye through form with the use of repetition of shape, lines or colour and helps create mood.

PROPORTION
Or Scale, to use a base for the viewer to compare and elements to through size, direction and space.

VARIETY
Utilising different shapes, colours and textures to keep overall image interesting. Also aids with creating a focal point.
