The one thousand dollars word is a concept that was coined by legendary copywriter Eugene Schwartz. It refers to a word that is so powerful, so persuasive, that it can be worth up to one thousand dollars.

Of course, not every word you write is going to be worth that much. But if you can learn to craft even a few one thousand dollars words, it can make a dramatic difference to your writing income.

In this book, you will discover the secrets to writing one thousand dollars words. You will learn:

- The key elements of a one thousand dollars word
- How to use language to evoke emotion and desire
- How to write headlines that grab attention and convert readers
- How to write body copy that informs, persuades, and sells

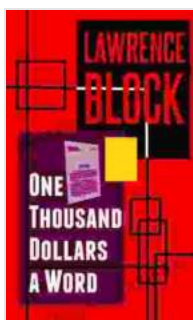

- How to write calls to action that get results

If you are serious about taking your writing to the next level, then this book is a must-read. Free Download your copy today and start crafting one thousand dollars words that will transform your writing career.
